Oriflamme Inc.

The Post-Apocalyptic Real-Time Strategy Game
CHAOS CENTURIONS

Now Available on the App Store in North America, Europe, and Asia

On November 17, ORIFLAMME Inc. (Shinjuku Ward, Tokyo. CEO: Ryuji Ikeda) released the real-time strategy smartphone game CHAOS CENTURIONS for download on the App Store in North America, Europe, and Asia (outside Japan).

In CHAOS CENTURIONS, you take direct command of a legion of troops, mechs, and vehicles in real time. Customize your legion, and take it to battle against the forces of the Mildova Alliance and other players from around the world!

Title	Chaos Centurions
Genre	Game > Strategy
OS	iOS8.0 or newer
App Store	https://itunes.apple.com/us/app/id1065834036?mt=8 (*link only works on the U.S. App Store)
